

LEEC: Let's Encrypt Erlang with Ceylan

Organisation: Copyright (C) 2020-2020 Olivier Boudeville

Contact: about (dash) leec (at) esperide (dot) com

Creation date: Wednesday, November 11, 2020

Lastly updated: Monday, November 16, 2020

Dedication: Users and maintainers of the LEEC library, version 0.5.

Abstract: The role of the LEEC library is to interact from Erlang/OTP with Let's Encrypt servers, mostly in order to generate X.509 certificates.

The latest version of this documentation is to be found at the [official LEEC website](http://leec.esperide.org) (<http://leec.esperide.org>).

The documentation is also mirrored [here](#).
